it would no uneformity of practice exists in the District. On regard to the first head, practice obtaining in municepalities of the Kolar, Tumkur, Mysore and Chitaldrug Districts, it is stated that stationery obtained on indent from the Stationery Depot on account of the Revenue Dept was supplied to officials doing municipal works in Taluks and no charge is incurred on that account from municipal funds, except in the towns of Channgerai & Seringapatam in the Mysore District and Chitaldrug, Davengere and Hassan where separate hands are employed for municipal work as well as in all municipalities of the Hassan Shimoga and Kadur Districts, where cost of stationery required for municipal work is met from municipal funds

funds of the towns concerned.

Except in the head quarters of Town of Tumkur, and in the municipalities of the Shimoga and Kadur Districts, where stationery is purchased, and distributed to the municipalities concerned, no allowance is paid to village servants to meet the cost of stationery required for municipal work and the Dy Comrs of Hassan, Mysore and Chitaldrug consider that no such allowance is necessary, as the same has been included in Potgee remuneration allowed to village servants under Notification No 219 dated 7th October 1874

and recommends that a monthly allowance of Rs 5- may be sanctioned for each Taluk, and that the actual expenditure being carefully scrutinized, in the District office without the risk of extravagance in the matter. The Dy Comr of Tumkur considers that an annual payment of Rs 2 may be made from municipal funds to village servants to meet their contingencies, & evidently that Taluk establishments should continue to be supplied with stationery from the quantities obtained from the Stationery Superintendent. The amounts recommended by the remaining Deputy Commissioners for contingencies of the municipalities in their respective Districts are shown in the accompanying statement. The sums shown against the Municipalities of [illegible]

We only District in which Stationery is obtained from the Govt Depot is Dumka. I do not think that this should be discontinued.

In some places Village officials do the Rural collection work while in others, Chowkidars are employed. The former get a Stationery allowance and are entitled to no further payment. The case of the latter is different. Inasmuch every rural Municipality (Paluk, Sub PK & Village) requires a small allowance for the purchase of Stationery. The Paluk Contingent allowances do not of for example An allowance from Rural funds may be sanctioned according to the following:

But the Presidents of the municipalities in the Bangalore, Mysore, Kolar, Hassan and Chitaldrug prefer to get money grants and obtain stationery from local markets. The answers may be summarised thus :-

Presd.- Bangalore city, — Tumkur do — Kadur do & ~~of~~ Shimoga do	Prefer Govt. Stationery depot.
Presd.- Bangalore do. — Kolar do — Hassan do — Chitaldrug do — Mysore do do	local purchase from money grant.

There seems the little doubt that local purchase of ~~the~~ stationery of the kind wanted by the municipalities is much cheaper than indenting upon the Govt. Stationery Depot-, though (for reasons not explained) some Presds prefer the latter. A money allowance would, therefore, be more suitable on the whole to all except the largest municipalities of Bangalore & Mysore cities. As regards stationery requisites for the Municipal and District Offices Branches of District Offices (a point referred to by the Dy Comr., Hassan Dist.) it does not appear to have been separately purchased, but only apportioned from the stock obtained from the Depot- for the other branches of those offices.

Subd. 7/7/97

My recommendations are.

(1) Where municipalities collect the whole income & the latter has been included in the Budget which includes a stationery allowance no change of procedure is necessary.

× Municipalities & Municipal Commrs may be informed that no extra allowance can be granted for stationery & that they must obtain their requirements from the Govt. Stationery Depot.

I think so too. J.G.

Municipalities & Municipal Commrs may be informed that no extra allowance can be granted for stationery & that they must obtain their requirements from the Govt. Stationery Depot. These may be supplied with office & Municipal stationery by the Stationery, Depot & Superintendent and Registrar's establishment on payment by debit to the Boards concerned. The cost should be distributed among all municipalities in the same way as Head Quarters charges. C.

Sir,

I have the honor to report that the Nelamangala Municipality charged Rs 4-2-4 on account of Contingencies in the month of October 1895, but as the charge was in contravention of Government Proceedings No. 23397-8 dated 18th June 1895, L. F. 22-94 it was disallowed and the Amildar Vice President was asked to meet the cost from the Taluk contingencies. The Vice President now reports that the said

tingent amount is quite inadequate
eet the cost of purchasing the re=
ired stationery for both Revenue
d Municipal business and that
refore there is no means of re=
ouping the above amount from
e Taluk contingent grant.

The subject was also
iscussed at the Boards' meeting
eld on 31st December 1895 and the
embers are of opinion that some
harge ought to be allowed to the un
Panchayats and the Potels for the cost
f contingencies. A copy of the
Board's resolution is herein enclosed.

While on the subject, it
may be permitted to me to urge
that the time has arrived for a
distinct provision being made
in the Municipal Budgets for
Office contingencies. The items
requiring payment are increasing
in the Municipal Department,

and if no open and distinct allowance is made, I very much fear that the Contingent accounts will become less reliable, inasmuch as the charges must be incurred and the Taluk officials will be obliged to incorrectly merge them in other admissible items and their accounts in a way which cannot be considered satisfactory.

The Secretary to the
Govt. of Mysore,
Rev. & Genl. Depts.,
Bangalore

Sir,

With reference to para 7 of Government Proceedings No. 11116-23 dated 30th March last, I have the honor to submit herewith a statement of the amounts proposed by the Amildars for contingencies for municipal Work.

2. The demands made are unequal. But it appears to me that Rs. 5/- a month may be sanctioned for each Taluk. This allowance will of course form the ne plus ultra of contingent-expenditure in the municipal Department and as the charges will be scrutinized in the District Office, there will not be much risk of extravagance in the matter

I have the honor to be,
Sir,
Your most Obedient Servant,

M. Narasimhaiyangar

Sir,

Adverting to Government Proceedings No. 11116-23/L.F. 108-95 Dated 30th March last, requesting me to state the practice now existing in the Municipalities of this District, in regard to the supply of Stationery for Municipal work to village servants as well as Taluk officials, and calling for a statement shewing the additional amounts that may be required on account of contingencies for Municipal work

work in each Taluk, I have to state that it is reported by the Auditors that no stationery was hitherto supplied to village servants and that it is necessary to make some provision for the same. — Annas eight to Rupees two a month were spent on account of Municipal Contingencies for Officials in the different Taluk Cutcherries, & the cost was met from the sums under "XI miscellaneous (h) other items" there being no distinct provision in the Budget under the head "II Head office, Contingencies". It is only in the Budget of Hassan that a distinct provision was being made every year under "II Head office Contingencies" to meet the cost of Contingencies of the Vice President's office. I do not see any reason why any change in

be allowed to village servants whose Stationery allowance has been included in their remuneration (Pottai) as may be seen from Notification No. 219 Dated 27th October 1874.

2 —— A statement showing the amount required to meet the cost of Stationery of the Taluk Officials, is submitted.—

SIR,

I have the honor to state that the Vice Presidents of the several municipalities request that a certain contingent allowance may be given them monthly to meet the cost of stationery articles required for the use of the municipal Offices. Of late the municipal work has increased very much and it is but just that every municipality should get some allowance towards the purchase of necessary stationery articles. I request that you will be good enough to obtain the sanction of Government to allow eight annas monthly to every municipality to meet the said expenses, and to make provision for the same in the next year's municipal Budget.

Sir,

With reference to Official memorandum No 10506-15 / L.F 108-95 dated 24th March 1897, I have the honor to submit herewith a list of stationery articles with prices at which they can be supplied from the Graduates Trading Association Singapore. The prices when compared with those mentioned in the list forwarded with the above, show a cheaper rate in the local market for every article, and also the Manager of the above Association promises to supply with first class articles. Therefore I would propose to buy as a tentative measure for one year the articles from the above Trading association, and at the same time I request that samples of every article may be sent to this Office if my proposal is approved

by Government. I am further of opinion if Tenders are called in for the articles they may be had at still a cheaper rate.

I have the honor to state, that from

for the use of outlying
in this District are things of a
ordinary kind, that can be had at
cheaper rate in Local markets than
rate charged in the list received with

2 English stationery, such as Royal
Demy, Quarto post &c are not required
these Municipalities and they are
in a position to pay for these dearly
articles from the limited grants pl

Sir,

With reference to your official
memorandum no 105-06-15 dated
L.T. 108-95.
24th March 1897, enquiring whether
the Stationery articles would be
obtained from the Government-
depot on payments of the prices
as per list therein enclosed or the
money grants would be preferred
for purchasing them from the
local markets &c. I have the
honor to state that the articles
can be easily purchased from

from the local bazaars as necessity arises.

2 By past experience of 3 or 4 years it has been found that the supply from the Government depot has been far from satisfactory; the articles are not supplied to the full extent as indented for or in time when are actually required ie on the 1st of July of every year for opening fresh registers &c

3 For want of them the routine work could not be stopped, so local purchases become indispensible. If the proposal is sanctioned I intend calling in tenders for the required stationery articles and accept the one most favorable to

the municipality.

and the village officials are remunerated by a 2 per cent commission from Municipal funds, the Amildar of the Taluk, in which the municipality is situated, should arrange for the supply of the requisite stationery out of his contingent allowance. If, in any Taluk, the present allowance is found insufficient, a proportionate increase, exceeding the rates of stationery allowance obtaining in the Revenue Department will be allowed from municipal funds on account of the stationery supplied to the village doing municipal work. This must in every case form the subject of a special application to Government for sanction.

III. Where a separate collection agency is employed, the Amildar [illegible]

should likewise arrange for the purchase and supply of the required stationery out of his contingent grant, which on a special representation & good-will, if necessary, be raised by an addition from municipal funds, not exceeding one Rupee per month for the first thousand rupees of actual collections and half a rupee for every additional thousand or fraction thereof

IV. The Bangalore and Mysore city municipalities may obtain the required stationery ~~ordinarily~~ by indent either locally or from the Government Stationery Depôt, by book adjustment whichever is cheaper

V. For municipal offices except those at Head quarters (i.e. except District offices and the

the Sub-Division office at French Rocks), the Vice-Presidents should arrange for the supply of the stationery required at a cost not exceeding the rates specified in Rule III

VI. The stationery of the superior kind required for municipal work in District Offices and the Sub-Division office at French Rocks should be procured from the stationery Depôt, and that of inferior kinds should be ~~in the case of the superior kinds and~~ locally ~~in that of the inferior kinds~~, ~~and~~ the cost being adjusted by a debit to all the minor municipalities concerned in proportion to receipts, in the same way as the salaries of the municipal clerks employed in those are adjusted.

ORDER.—In supersession of previous orders on the subject, the Government are pleased to issue the following rules for regulating the supply of stationery articles required for the Municipal and Local Fund Departments in the State.

I. Where the Municipal revenue is collected by village officials and has been taken into account in calculating potgi, which includes a stationery allowance, no further supply of stationery or cash grant is admissible.

II. Where the Municipal revenue has not been included in the potgi as above, and the village officials are remunerated by a two per cent commission from Municipal Funds, the Amildar or Deputy Amildar of the taluk or sub-taluk in which the municipality is situated, should arrange for the supply of the requisite stationery out of his contingent allowance. If, in any taluk or sub-taluk, the present contingent allowance is found insufficient, a proportionate increase, not exceeding the rates of stationery allowance obtaining in the Revenue Department will be allowed from Municipal Funds on account of the stationery supplied to the village officials doing municipal work. This must in every case form the subject of a special application to Government for sanction.

III. Where a separate collection agency is employed, the Amildar or Deputy Amildar should likewise arrange for the purchase and supply of the required stationery out of his contingent grant, which will, if necessary, on a special representation to Government, be raised by an addition from Municipal Funds, not exceeding one rupee per month for the first thousand rupees of actual collections and half a rupee for every additional thousand or fraction thereof.

IV. The Bangalore and Mysore City Municipalities may obtain the required stationery either locally by cash payment or from the Government Stationery Depôt by book adjustment, whichever is cheaper.

V. For municipal offices except those at head-quarters (*i. e.*, except District offices and the Sub-Division office at French Rocks), the stationery required should ordinarily be purchased from the Amildar's or Deputy Amildar's contingent grant which, if anywhere insufficient, may, with the special sanction of Government, be supplemented by a grant from Municipal Funds not exceeding the rates specified in Rule III.

VI. The stationery of the superior kind required for municipal work in District offices and in the Sub-Division office at French Rocks should be procured from the Stationery Depôt, and that of inferior kinds should be purchased locally, the cost (not exceeding Rs. 5 a month) being adjusted by a debit to all the minor municipalities concerned in proportion to receipts, in the same way as the salaries of the municipal clerks employed in those offices are adjusted.

VII. The stationery required for Local Fund work should be obtained, and the cost adjusted, in the same manner as stationery required for municipal work under the preceding rules. When the cost of stationery required for each taluk and district cannot be met out of the contingent grant, special provision will have to be made in the District Fund budget, the cost not exceeding Rs. 2 in the case of each taluk or sub-taluk and Rs. 5 in the case of the District office.

VIII. The stationery required for the Local Fund branches of the Dewan's and Comptroller's offices will continue to be supplied, as heretofore, from the Stationery Depôt along with the stock obtained for the other branches of those offices, and no portion of the cost thereof will be debited to Municipal or Local Funds.
